## Teacher's Special Instructions

We start with a lesson on the Hebrew language. We will both write and speak Hebrew.

We do this for two reasons:

- 1) All students are at the same level in learning a new language, and they enjoy it.
- 2) It gives the students a chance to learn biblical truths embedded in the original language of the Hebrew Scriptures (Old Testament). Start by pointing out they are used to reading from left to right, but Hebrew reads from right to left. They also will need to write Hebrew from right to left.

### Materials and Vocabulary:

- a. White board, black board or large easel and paper
- b. Markers
- c. Handouts or writing paper for the students
- d. Pens or pencils for the students
- e. The words used on their Hebrew writing pages are all words that are related to each individual lesson. Generally, a Hebrew word is chosen from the lesson and emphasized each week, both to teach character and increase understanding of the concepts being taught. New words will be in the box on the upper right of this page. Various names of God will also be taught in Hebrew.

#### New Hebrew words transliterated

Tzav (Command)

Ahav (Love)

Cohen (Priest)

### Preparation:

- a. Choose 2 or 3 Hebrew words from the Hebrew writing page(s). On the board, write the words in English and in the transliterated form given in the left column of the Hebrew writing page(s).
- b. Leave space to write the word in Hebrew.
- c. Explain that the letters they see on the page are written in book print like they might see on a sign, or that they would print themselves.

### Procedure:

- a. Demonstrate the writing procedure of two or three Hebrew words on the board. Have the students follow your directions on their work pages. Be sure to point out the special features of each letter.
- b. Then have the students try a few words on their own, or complete the rest of the page. The ability to finish the whole exercise will depend on how much time you have. (2 to 5 minutes time is needed to finish the page.)

## Command ~Tzav צו

Leviticus 6:1-8:36; Malachi 3:4-24; Luke 4-6 Mark 7:31-9

Do you ever feel like your jobs aren't important enough?  
Is it your job to take out the trash or wash the floor? Do you think it is fair that you have to do jobs like this? Do you dream about someday being in charge so you can give these jobs to other people?

Well, guess what! God makes some people priests, and being a priest is very important! But do you know the priests had to do some dirty jobs too! God told the priests to put on some work clothes. Then He told them to take the burned ashes from the sacrifices outside the camp! That is even a bigger job than taking the trash out! They also had to keep putting wood on the fire so it would never go out; for the Lord wanted the fire to ALWAYS be burning.

These were some of the jobs the LORD commanded the priests to do. (Leviticus 6:11-13)

What do you think the LORD wanted the priests to remember by giving them these tasks? Even though they were priests, were they the servants of the LORD just like other people?

What will you remember the next time your mom asks you to do a job that you think isn't fun?

Now God CHOSE the priests for very important positions. Why was what they did important? Because other people were watching them to see how they should live and to see what they should do. Priests were

to be good examples – examples of what to do to follow God's Words.

But no man has ever led a sinless life – except One -. Do you know who that One is? So even the priests had to bring sacrifices! (Lev. 8:14-36) In this way they were examples to all Israelites. If the priest openly brought their sacrifices, then all the Israelites could bring their sacrifices without shame. God does not want anyone to be embarrassed about coming to Him. How do you think this helped the people bring their sacrifices as God had commanded?

Do you want to know something totally AMAZING? Well, listen to this: If you have accepted Yeshua in your hearts – YOU ARE A PRIEST!!! I Peter 2:9 tells us: You are a chosen generation, a royal priesthood, a holy nation, His own special people, that you may proclaim the praises of Him who called you out of darkness into His marvelous light,.....

Did you catch that? Yes, you are chosen to be a royal priest.

Think about what the priests did. They took out the ashes – like taking out the trash – they brought sacrifices – like admitting that they needed the forgiveness of God – they were to be examples to other people – like we who love Yeshua are to be light in the world and show the world how wonderful our God is.

When you think about being a priest, how can you be a good example in your house or in your neighborhood?

In Malachi 3:4-6 God warned that He would judge against sorcerers, “Against adulterers, against perjurers. Against those who exploit wage earners and widows and orphans, because they do not fear Me, Says the Lord of hosts.” So if I don’t do those things I can be an example in my house and neighborhood.

Yeshua is the High Priest now, and He is perfect. Find the ways Yeshua is different from the priests in Leviticus: Hebrews 7:24-27 says: He (Yeshua) is able to save to the uttermost those who come to God through Him, He always lives to pray for them,... He is holy, harmless, undefiled....He does not need to offer daily sacrifices ..... for this He offered Himself once and for all...!!!!

Did you find the reasons that Yeshua is the Perfect Priest?

When He was on earth, Yeshua showed us what a priest should do.

Listen to some of the things He did in Luke 4-6. \*He went to the synagogue and \*He read God’s Word and \*He taught God’s Word. \*He told the truth – even when it made people angry. (4:28) \*He cast out demons. \*He healed people – even people who had leprosy! \*He called common fishermen to follow Him and be His disciples. \*He forgave people’s sins! \*He called people who were very unpopular to repent and follow Him! Why do you think He did this?!

Read Luke 6:27-36 for the answer.

He taught us to love our enemies –do good to those who hate us!

He taught us to be merciful – and to forgive others.

How can you do this during the week?

He taught us not to worry about the little irritating thing our brother may be doing, but to be more concerned about our own sin.

He taught us that if we DO what He teaches, we will be like a man who builds a house on a deep, solid foundation.

When storms and floods come against this house IT WILL STAND and not be swept away.

Now Yeshua has made you a priest. How will you try to do the things that He taught this week?

Are your jobs important? Yes or No?
