## Teacher's Special Instructions

We start with a lesson on the Hebrew language. We will both write and speak Hebrew.

We do this for two reasons:

- 1) All students are at the same level in learning a new language, and they enjoy it.
- 2) It gives the students a chance to learn biblical truths embedded in the original language of the Hebrew Scriptures (Old Testament). Start by pointing out they are used to reading from left to right, but Hebrew reads from right to left. They also will need to write Hebrew from right to left.

### New Hebrew words transliterated

Pasach (Passover)

Hag HaMatzah (Feast of Unleavened bread)

Hag Bikkuram (First Fruits)

### Materials and Vocabulary:

- a. White board, black board or large easel and paper
- b. Markers
- c. Handouts or writing paper for the students
- d. Pens or pencils for the students
- e. The words used on their Hebrew writing pages are all words that are related to each individual lesson. Generally, a Hebrew word is chosen from the lesson and emphasized each week, both to teach character and increase understanding of the concepts being taught. New words will be in the box on the upper right of this page. Various names of God will also be taught in Hebrew.

### Preparation:

- a. Choose 2 or 3 Hebrew words from the Hebrew writing page(s). On the board, write the words in English and in the transliterated form given in the left column of the Hebrew writing page(s).
- b. Leave space to write the word in Hebrew.
- c. Explain that the letters they see on the page are written in book print like they might see on a sign, or that they would print themselves.

### Procedure:

- a. Demonstrate the writing procedure of two or three Hebrew words on the board. Have the students follow your directions on their work pages. Be sure to point out the special features of each letter.
- b. Then have the students try a few words on their own, or complete the rest of the page. The ability to finish the whole exercise will depend on how much time you have. (2 to 5 minutes time is needed to finish the page.)

### Israeli street sign

**Games/Activities:** Normally games are played after children's work pages are complete.

For this lesson work on learning the 10 commandments Scramble Game. You will find them at the end of this volume. General Games can be found at the end of this volume.

## Pesach "Passover" פסח

Exodus 33:12-34:26 ~ Ezekiel 37:1-14

Have you ever been given a job that was so huge, you knew you needed someone much bigger and stronger than you to help you do it? This is how Moses felt.

God had made him the leader of the Israelites! God told Moses to lead this people to the land He would give them.

This was a huge job. Moses didn't want to do this job without God, so listen to what he said to God. Listen for the word that Moses repeats:

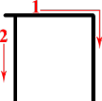

Moses said, Now I pray if I have found grace in your sight, show me now your way that I may know you and find grace in your sight. (Exodus 33:13)

Did you find the word Moses used twice? It is "grace".

In Hebrew the word for grace is Chen. (Final Noon, Chet)

CHET  means surrounded or protected

Noon  (Noon) means life

Or

(Noon)  represents life and light as in the word

 NER (Noon, Reysh)

So Moses is asking God: Who is going to protect our lives and be our light! He is asking God for His Grace because God's Grace protects and gives light and life.

Do you think Moses wanted to go if God was not going to be with them?

And God made Moses an amazing promise. What do you think God's amazing promise will be? Here is what God said My presence will go with you and I will give you rest. – Wow! How is that for a promise? (Exodus 33:14)

Did you notice that God did not say He would give Moses Grace. In Hebrew, God said, I will

give you My rest! The Hebrew word for “rest” is Chet Noon (Noa-ch).

Taking the meanings of each letter, (Noa-ch) means life, light and protection. God was saying I will give you My life, My light, and My protection! Now that is a gracious God!

Then Moses said to God that all the world would know that God gave the Israelites His grace, and that they would be separate from all the people in the earth. How would they be separate? God would tell them how. (Exodus 33:16)

How are we as believers in Yeshua separate from the world around us? Do we do the same things that others in our culture do?

So God told Moses, Come up the mountain, and be with Me and bring 2 cut stones so I can write the Commandments on them.

(Exodus 34:1,2) Does doing the Commandments make people separate from the rest of the world? And the LORD came down in a cloud and stood there with Moses And explained to Moses what He is like.

Do you know the first thing He said about Himself? God said, The LORD, the LORD God is merciful and GRACIOUS..... God was telling Moses that He is exactly what Moses needed and asked for – Grace! He would protect life and be light for him and the Israelites!

God told Moses that the people were to OBSERVE what I command. (Exodus 34:11)

In Hebrew the word for observe is (Shin Mem Reysh ) shaamaar.

Shaamaar means to guard and keep. If you had \$1,000,000 in your back yard, would you guard it? Well, God's commandments are more valuable than gold. If you take the meaning of the Hebrew letters in the word shaamaar they mean: "to destroy chaos by protecting, and guarding and doing what is most important".

Do you know what else God told His people to guard? He told them to guard the Feast of Unleavened Bread. For 7 days they were to eat no leaven. (Exodus 34:18) Why no leaven? Because leaven was a picture of sin, and God wanted them to remember how He redeemed them from slavery in Egypt. Being in slavery is like being in sin, because people can be slaves to sin.

But sadly the people did not guard what God told them to and they sinned by worshipping idols. (Ezekiel 37:23) When the Israelites turned away from God by worshipping idols, He took them from their land and scattered them all over the world. They were no longer together in one land. They were all separated. But in His grace and mercy God keeps His promises.

He said, Surely I will take the children of Israel from among the nations where they have gone, and will gather them back from every side and bring them into their own land (Ezekiel 37:21)

He said, I will cleanse them from their sins, they will dwell in the land of their fathers forever in peace. And He will put His sanctuary in their midst forever and Israel would be sanctified in that time. (Ezekiel 37:23-28)

God also said to guard and keep Shavuot – the Feast of Weeks and Succot – the Feast of Tabernacles (Exodus 34:22)

God made special covenant promises about these Feasts. Yeshua died, was buried and rose from the dead to keep these promises. (Exodus 34:11) Guarding and keeping God's feast is a great honor. God's people are to do this!

If sin makes people slaves, how are we freed or redeemed from sin?

Listen to what Titus tells us in the Brit Chadashah

(Yeshua) gave Himself for us that He might redeem us from every lawless deed and purify for Himself His own special people.....". (Titus 2:14 NKJV) Did you hear that?!! Can you tell someone what Yeshua has done for us?

All God's feasts are about Yeshua! How is doing something different than just knowing about it?

Yeshua is the Lamb of God at Passover! Crucified on a cross.

Yeshua is sinless when He is buried on the Feast of Unleavened Bread.

Yeshua is the First to be raised from the dead never to die again on the Feast of Firstfruits!

Yeshua went to heaven and sent the Holy Spirit on the Feast of Weeks!

Yeshua will be crowned as King of Kings and the dead will be raised on the Feast of Trumpets!

Yeshua will return and all Israel will acknowledge Him as their Messiah on the Feast of Yom Kippur!

Yeshua will dwell with us forever as we celebrate the Feast of Tabernacles!

Do you have a favorite feast? Can you tell someone why each one is important?

The LORD made Moses the leader of Israel.

This was  
a huge Job!

### TORAH (God's Teachings / LAWS) Exodus 33:13 (NKJV)
