

## Mark Biltz

Mark Biltz, founder of El Shaddai Ministries in Washington State, is a well-known and popular commentator on the Feasts of the Lord, and has produced a series of DVD's teaching the Feasts that have gone around the world. As he teaches the Biblical Feasts he shows how Jesus fulfilled prophecy at each of the spring Feasts to the day of each Feast, and how His second coming will fulfill the fall feasts in exactly the same way.

His research and insights from the Hebrew language and the knowledge of the culture of Biblical times, have earned him multiple appearances on popular TV and radio programs, as well as covers of noted magazines. He has brought His sought after Biblical knowledge to Fox television, the Sid Roth Show, the Jim Bakker Show, Prophecy in the News and many more. His radio interviews are on stations across the United States. Pastor Mark has taught at congregations and conferences in Sweden, Germany, Switzerland, Africa, South America, Canada, Mexico and in numerous states across the US. The El Shaddai website, [esm.us](http://esm.us), receives millions of hits from over 40 nations around the world every year. Every month, more than 40,000 visitors come to the website to download messages and listen to hundreds of archived teachings.

The serious need to educate Christians from all different denominations on the richness of God's Word nestled in its original Hebraic setting, propelled Pastor Mark to start this ministry in 2001. He also has a passion to teach the truth about replacement theology -the belief that the Christian church has replaced the Jews- has stunted the churches' knowledge of and appreciation for our true roots. He brings out the importance of remembering that God first spoke to Abraham, Isaac and Jacob. It was the Jews who brought the Gospel to the Gentile world, because they saw how everything Jesus taught connected directly back to the fathers of our faith, and that He truly is the long awaited Messiah. The first disciples were willing to lay down their lives for this truth!

Pastor Mark is a teacher of the Word in the most extraordinary way!
