

In this Art-Peace called "In The Beginning" we will be discovering how in the Torah, The Hebrew Bible, in the very first sentence, from when the word Earth first appears in the Text, that you can calculate how fast the Earth travels around the Sun in meters per second. Let's get right into it. The scientific notation for the Earths orbital velocity around the Sun is 2.98×10 to the 5th power giving you 298,000 meters per second. However, we will be using 298×10 squared or 100 to get the same exact result of 298,000 meters per second.

In Genesis 1:1 it states "In the Beginning G-D created the Heaven & the Earth". What we want to show you now is how the last word in this sentence which is Earth is also the first time the word Earth is written down in the Holy Torah & were it is written in the text has a mathematical connection astronomically to the Earth it self by precisely determining the Earths orbital velocity around the Sun in meters per second.

You can see that after adding up the value of the entire sentence "In the Beginning G-D created the Heaven & the Earth" you get a total of 298, which can also be seen as Earth plus all of its previous words or digits accumulate to 298. Now going from right to left when you take 298×10 squared you get 298,000, which is exactly how fast the Earth travels around the Sun in meters per second!

This is a Heavenly matter & proves that the Holy Torah is of Divine Origin. Using the 1st time that the word Earth appears in the text that you can figure out how fast the Earth travels around the Sun in meters per second. This proves Divine intent & Divine intervention. Let us look at Psalms 119:160 Thy word is true from the beginning: & every one of thy righteous judgements endures forever.

May we Bless Adonai the King, May we Fear His Holy Name & Remember the Torah of His servant Moses. The Hebrew Alphabet is the Genetic Fabric of the Universe, the Holy Torah is the Mirrored Reflection of Pure Divine Will (G-D) in the Cosmos, & May the Eternal Light of the Holy Torah fall like Rain upon the Earth. May this Art-Peace shed the Light & the Truth of the Holy Torah's Sublime Wisdom upon all those who See it & Hear the Words therein, & May this Art spark Holy conversations that are pleasing to our KING, the Holy One Blessed be He forever & ever Hallelu'Yah amen!
