

This Art-Peace is called “Temple of the Light.” All the way to the left written vertically is the word “In the Temple” בְּהֵיכָל & has a numerical value of 67 & is mentioned in Tehillim/Psalms 11:4, The Lord is in His Holy Temple, the throne of the LORD is in Heaven & His eyes see, His pupils try the sons of men. The word Binah which means understanding, also shares the same numerical value of 67.

Now looking to the right is a BIG letter “koof” ק which has a value of 100 stands for Kedushah which means holiness & represents the cyclical nature of the universe. To the right of this letter is the word for “rain” spelled גֶשֶׁם with a value of 343. To the left of this letter koof ק is the Hebrew for “light” spelled אֹרֶךְ with a value of 207. In Tehillim 119:105 it says, For Your word is a lamp unto my feet & it is a light unto my path. In Tehillim 36:10 it says, For with You is the source of life & in Your light we see light. In Tehillim 56:14 it says, You have saved my soul from death even my feet from stumbling, that I may walk before God in the light of life.

Speaking of life you will notice the word חַי all the way to the right which means “life” with a value of 18 written inside a square. In Mishlei/Proverbs 6:23 it says, For your commandments are as a candle, & Your Torah is light, & disciplining rebukes are the way of life. In Mishlei/Proverbs 11:30 it says, The fruit of the righteous man is a tree of life, & the wise man acquires souls. Above the letter koof is the word “My knowledge” spelled לְדַעְתִּי with a value of 514 which is also inside a square & in Mishlei/Proverbs 22:17 it says, Incline your ear & hearken unto the words of the wise, & put your heart unto “My knowledge.” Below the letter koof is the word מְעוֹלָם which means “from everlasting” with a value of 186 & is also inside a square. In Yeshayahu/Isaiah 46:9-10 it says, Remember the first things “from everlasting”, that I am God & there is no other. I am God & there is none like Me. Amen to that! In Tehillim 93:1-2 it reads, The Lord has reigned, He has clothed Himself with majesty, the LORD has arrayed Himself, He has encompassed Himself with might. The world too has been established so that it cannot be moved for Your throne is established of old. You are “from everlasting.” In Tehillim 103:17 it says, the LORDs kindness is “from everlasting” to everlasting upon all those who fear Him, & His charity to sons of sons. To those who keep His covenant & to those who remember His commandments & perform them. The Lord established His throne in the heavens, & His kingdom rules over everything. So who are we speaking of? The Creator & Master of the Universe which is the Divine Name of G-D with a numerical value of 26 & is written vertically for reverence inside the final square to the left of the letter koof.

Now let us wrap this up with the speed of light! “Life” at 18 squared = 324+ “G-D” at 26 squared = 676+ “My knowledge” at 514 squared = 264196+ “from everlasting” at 186 squared = 34596. Then when you add up the squares of these words 324+676+264196+34596 is equal to the speed of light!!! 299,792 km per second & not only that if you add up all the letters in this Art-Peace it is equal to 1461 which is the numerical value of Tehillim 104:2 which so beautifully states, You (G-D) wrap Yourself with light like a garment & You stretch out the heavens like a curtain!
