We are about to calculate the <u>Diameter & Circumference of the Entire Observable Universe</u> <u>using this Art-Peace</u> called "<u>The Observable Universe</u>". The following is the scientific notation for <u>the</u> <u>Diameter in meters of the Entire Observable Universe</u>. **8.8** × 10 raised to the 26th power will give you <u>880 septillion meters which is equal to 93 billion light years</u>. The Diameter of the Entire Observable Universe. Then to figure out the Circumference of the Entire Observable Universe you then simply multiply the diameter of 93 billion light years times pi (3.141592653...) giving you the circumference of the Entire Observable Universe which is 292.17 billion light years.

Let us break down how to 1st find the Diameter hidden in the the Hebrew Bible, the Holy Torah. At the Top of this Art-Peace is Shemot or <u>Exodus 25:16</u> which says "And <u>thou</u> shalt put into the ark the <u>testimony</u> which <u>I</u> shall give <u>thee</u>." In Hebrew, the numerical value of this passage is equal to "<u>3036</u>" so let's analyze the ancient passage for a moment. Maybe it's possible to find the Diameter of the Entire Observable Universe using these "<u>26</u>" letters that make up <u>Exodus 25:16</u>.

First let us ask <u>3 Questions</u> about this passage. <u>Question#1</u>). What is the <u>testimony</u>? The <u>testimony</u> is the "<u>10</u>" commandments which is represented in this Art-Peace by the "<u>10th</u>" letter <u>Yood</u> in the Hebrew AlphaBet. <u>Question#2</u>). Who is "<u>I</u>"? "<u>I</u>" is the <u>Divine & Holy Name of G-D</u> who is speaking to Moses & has a numerical value of "<u>26</u>". G-D wrote the "<u>10</u>" commandments with His finger & gave them to Moses saying that he should place the "<u>10</u>" commandments into the ark of the covenant. The <u>Yood</u>, & the <u>Hey</u>, & the <u>Vav</u>, & the <u>Hey</u>, is <u>G-D's Divine Name</u> & when you add up the letters in His Name you end up with a numerical value of "<u>26</u>," the power to which we raise the "<u>10</u>" commandments by to find the Diameter of the Entire Observable Universe. There are also <u>exactly 26</u> letters in this passage of Exodus 25:16. <u>Question#3</u>). Who is "<u>Thou/Thee</u>"? It is Moses of course, & Moses has a numerical value of "<u>345.</u>" Now we can find the Diameter by using all of these Numbers <u>3036</u>, 345, 10, and <u>26</u>. As <u>3036</u> divided over <u>345 x 10</u> to the <u>26th</u> power will give you the Diameter of the Entire Observable Universe to a total of <u>93</u> billion light <u>years</u>.

May we <u>Bless Adonai the King</u>, May we <u>Fear His Holy Name</u> & <u>Remember the Torah of His</u> <u>servant Moses</u>. The Hebrew Alphabet is the Genetic Fabric of the Universe, the Holy Torah is the Mirrored Reflection of Pure Divine Will (G-D) in the Cosmos, & May the Eternal Light of the Holy Torah fall like Rain upon the Earth. May this Art-Peace shed the Light & the Truth of the Holy Torah's Sublime Wisdom upon all those who See it & Hear the Words therein, & May this Art spark Holy conversations that are pleasing to our KING, the Holy One Blessed be He forever & ever Hallelu'Yah amen!
